**Brief Bio (Optional)**

Inegbe Innocent obtained a Diploma in Industrial Relations & Trade Unionism, B.Ed., and M.Ed. in Industrial Education from the Department of Adult Education, and M.Sc in Industrial Sociology all from the University of Ibadan. He has been a staff at the University of Ibadan for over two decades and has worked in various Departments in an administrative capacity. Presently, he works as a Research Administrator at the Research Management Office, University of Ibadan, a new role he assumed in 2016. He is currently the Resident Principal Research Administrator at the Faculty of Science, and he coordinates the RMO's legal unit to assist in processing Research Agreements between the University of Ibadan and other institutions. Mr Inegbe anchors the University of Ibadan Research and Innovation Discourse (UI-RID). He is an alumnus of the University Administration Support Programme under the International Research Exchange Board (IREX/UASP), and an executive member of the African Research Security Consortium (ARSC) newly established in Africa by the U.S. Department of State.
